

Rani Anna Government College for women has received the **Award of Excellence** for successfully training and certifying over 200+ students in MongoDB Skillathon through ICT Academy.

Also the **ICT Academy Coordinator Dr. M.Anees Fathima** has also received an award for the excellent work in this program.

This achievement shows our commitment in providing quality training to our students and preparing them for their careers. We thank ICT Academy for their partnership and congratulate all our students who completed the certification program.
