Co Programme Organised

Extra Activity

Giving Water to birds is very important during summer when natural supplies are dried. They feel very hard to find water due to hot weather. So our Social Work department has initiated the activity of hanging water pot on the trees. Students are daily filling water and monitoring also. This programme creates awareness on the need of Environment protection among the students.

Hanging water Pots on Trees

Cancer Awareness day Programme

World Cancer Day is an international day marked on 4th February. In order to create awareness among the students community, our department joined with Nellore Cancer Institute conducted programme on 4th Feb 2019 at Auditorium Hall. 100 students were participated. Quiz programme was conducted and our student U.Paveena won I Prize. Dr.Abirami chaired the session and clarified doubts on Cancer Disease.

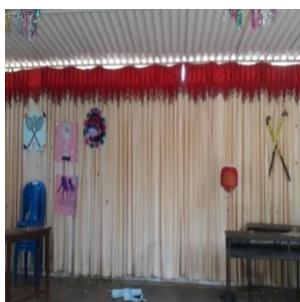

Short Film

Our students has taken effort and created short film on “Cancer Awareness” and played in the Programme. Ignorance is the main cause for

Cancer Disease death in our society. Treatment in Early stage is very easy to cure. This film resembles this concept.

Stage Decoration

Our department has taken the responsibility of Stage decoration for the five days College Programme in the academic year 2018-19

Seed Ball Making

The students produced seed balls to promote awareness on tree conservation on WORLD NATURE CONSERVATION DAY. Using cow dung, clay and dried seeds of neem, mango, jamun, Indian beech, teek, Indian almond and water are mixed together and made into balls. The awareness among students was done through puppetry. These balls were distributed to the school students and instructed to throw it in the air. When rain falls on the earth it starts to germinate

Making Seed Balls

Study Tour

The students of MSW as part of their curriculum started study tour to papanasam , village of Tirunelveli. The purpose of the study tour is to learn about the tribal community. Their culture, religious belief, social problems, government schemes for their welfare and transformation of culture in changing years were studied by the students.

Interaction with Tribal People
