Activities of Journalism and Mass Communication Department

**Anti drug awareness programme (Mime/Road show)
On 21/08/2026**

The Department of Journalism and Mass Communication organized a meaningful Anti-Drug Awareness Mime Programme in the campus to create awareness among students and the public about the harmful effects of drug abuse. The programme was performed by the First-Year and Second-Year students of the department. The mime focused on the theme “Say No to Drugs, Say Yes to Life.” Through powerful expressions, body movements, and symbolic actions, the students portrayed the negative impact of drug addiction on individuals, families, and society. The mime was an informative and socially relevant initiative that encouraged students to understand the dangers of drug abuse and contribute towards creating a healthy, responsible, and drug-free society.
