Activities of Journalism and Mass Communication Department

**workshop on
“PHOTO JOURNALISM”
On 22/08/2026**

The Department of Journalism and Mass Communication conducted a one-day workshop on Photojournalism to provide students with practical knowledge and insights into the art of visual storytelling. The workshop was presided over by Ms. Mahalakshmi, Head of the Department, Ethiraj College, who served as the resource person. She shared valuable knowledge about the fundamentals of photojournalism, news photography, composition, framing, and the importance of capturing meaningful moments. Students from the First, Second, and Third Years actively participated in the workshop and engaged enthusiastically in the sessions. The programme provided students with an opportunity to enhance their photography skills and understand the role of photographs in effective journalism and mass communication.
