Activities of Journalism and Mass Communication Department

workshop on
“Personality development through theatre”
On 10/09/2026

The Department of Journalism and Mass Communication conducted a one-day workshop on “ Personality Development Through theatre ” to help students develop confidence, creativity, communication skills, and self-awareness. The programme was formally inaugurated by our respected College Principal, Dr. Sheela, who encouraged students to actively participate and make use of such opportunities for their personal and professional growth. The workshop was conducted by Mr. Shanmuga Velayutham, who engaged the students through interactive theatre activities, exercises, and practical sessions. Students enthusiastically participated in the activities and explored various aspects of self-expression, teamwork, body language, and effective communication. The workshop was an enriching and engaging experience for all the participants.
